Any gear left at CFMAC for more than 10 days will be considered abandoned and will be donated or disposed of.
3. If an After School student wants to take their gear home, please see the office to sign it out.
4. Students who come to testing review sparring class without their required equipment (Orange belts and up) will not receive their sparring testing review credit. The only exception is those students currently making payments to the office for new gear.
5. If you choose to buy different gear for competing in tournaments, please understand that equipment may not be used during regular CFMAC classes.
6. Borrowing equipment from or loaning equipment to another student is prohibited. Please make sure your set of sparring gear is complete as we will not loan equipment nor may a students take equipment from another gear bag with or without permission.
