INTENT TO PROMOTE FORM**

Student's Name: _____

Dear Parents and Teachers,

Our main objective at the **CLERMONT FAMILY MARTIAL ARTS CENTER** is to develop well-rounded students, not only at our school, but in society as well. That's why our school teaches the principles of Black Belt Excellence. Not only do students become black belts in martial arts, but they strive to become academic black belts, and eventually, corporate black belts or black belt employees. We use "black belt" as a metaphor for personal excellence. In order to monitor our students' progress towards these goals, we respectfully request that you complete the following:

1. This student is respectful, doing satisfactory work and receiving passing grades.
